Letter From The Editor

To: CVM Reader From: Comics Values Monthly

I'm probably the most excited guy that ever edited a magazine. Through the modern advances of medical science I was able to see my first child as he or she was in the womb. It made me consider what the future would hold for her or him. Would I be my child's hero? Who would my child try to emulate? Will my kid read Superman and Spider-man (a dad can only hope), or would he read Punisher and Evil Ernie? It make me wonder about where the comic industry is taking us. Please, write in and discuss your opinion at the following address:

CVMail
725 Morison Street
Charles Town WV 25414

In this issue we explore the great Pyramids of Egypt ...uh..no that's not it....We explore how Ripclaw goes to the bathroom.....uh no that's not it either.....O.K. got it now..We explore the universe of the independent comic company Caliber Press, particularly their new book Storm Quest.

A lot of people ask me about investment tips or what would be a good, enjoyable book to collect. Well, I'm finally going to break down and tell you. If I were an investor I would hand on to my money and not invest in comics at this point in time. The comic book market usually move in waves just like most other markets. Right now, the supply of comics is above the demand of comics, so the result is a decrease in market values. Now, occasionally a comic will , even today's market, suddenly take off and is sought out like there is no tommorow such as the Gen13 series. I caution not to be deceived by the market, Although Gen13, in my opinion, will be an exception, sometimes high values will also just as suddenly crash. All in all if I were an investor, I would invest in Golden Age Flash, Green Lantern, Superman, and Back issues of the X-titles. My reason being , these books are very affordable, probably less than cover prices of today's comics and these comics have always been rock solid in value. As a collector I would have to say that I would put all my efforts into collecting the X-Men titles. These books are great stories, great character development and great art. With the events unfolding in January this is the perfect time to jump on board.

I'm not saying the market will continue to slide, because there are events planned for the near future that would give the market a lift. Marvel has purchased Malibu and with their distribution and marketing Marvel could own almost half of the industry. The amount this will change the market is unforseeable at the moment, But we all will keep a eye on it.

Until Roseanne goes on a diet.

Carey Hall
Managing Editor

Future Picks

Marvel is going to make comic history by rewriting their most beloved line of books. The new Age of Apocalypse begins in January as we see the books we have grown to love altered into something very exciting. X-Factor becomes *Factor X #1*, X-Force changes to *Gambit and the X-Ternals #1*, X-Men return as *The Mutants: The Amazing X-Men #1*, The Uncanny X-Men, Mutate into *The Mutants: The Astonishing X-Men #1*, Generation X grows into *The Mutants: Generation Next #1*, Wolverine continues in *Weapon X #1*, Cable lone wolfs in *X-man #1*, Excaliber teams up for *X-Calibre #1*, and X-Men Unlimited leads into *X-Men Chronicles #1*. Everything that you know about the X-Men is wrong. This story arc cannot be missed by current fans and is also a great jumping on point for new readers.

Elsewhere in the Marvel universe, What's up with Captain America? Is this the end? Check out *Captain America #1 Marvel Milestone* and *Captain America #437* to find out.

DC has really out doing themselves of late and they continue to do so this month. In *Azreal #2* Jean Paul goes up against the next version from the Order of St. Dumas and gets a visit from Batman. Black Lightning meets a new foe in his 2nd gritty-style issue.

DC introduces a new superhero team in *Blood Pack #1*. This book is written by Charles Moore, inked by Andrew Lanning, and penciled by Christopher Taylor. The 1st issue pits Blood Pack against the Demolition Team.

Look for the unique "barn door " cover of *Guy Gardner:Warrior #29*. This issue Guy opens the 1st ever metahuman bar. Could be a real "barn-burner" of an issue (sorry couldn't help myself).

The hottest future pick for DC happens to be another rejuvenated hero. With Peter Krause penciling, Jerry Ordway writing , and Mike Manley inking, Captain Marvel returns to glory . *The Power of Shazam #1* looks to be a real collectible.

In the Independent world, Bongo comics brings us the amusement of a three issue story *The Rise and Fall of Krustyland.* The story begins in *Krusty Comics #1*. From Caliber Press comes *Kabuki: Circle of Blood* #1 and *Stormquest #3*, both of which are nice looking books.

One of the most popular independent series to come in a long time continues in *Shi #6*. Shi is forced to meet her greatest opponent and greatest friend.

Dark Horse a producer of classic movie comics and stories does it again with three well-done attempts. Aliens: *Berserker #1* lands right in the action. Also *Edgar Rice Burrough's Tarzan: The Lost Adventure* swings into the comicstand along with *Star Wars: Dark Empire II*.

Entity comics markets a book from Joe Quesada and Jimmy Palmiotti. In *Ash #2* our hero discovers more about himself and his family. If you are one of the many action junkies, check out Firstlight who brings us the trio of heavy action comics *Paladin Alpha #2, R.A.Z.E. #2*, and *Shogunat #2*.

Get your blood pumping. Take a long look at *Vengeance of Vampirella #10*, a new penciller gets to draw the curves of our favorite heroine. This book comes from Harris Publications.

Where else in the universe of comics can you get an 8 book x-over all in one month?....Image, of course. Crypt pounds his way through the Extreme Universe in the following order *Extreme Sacrifice Prelude, Supreme #23, Bloodstrike #18, Newmen #10, Team Youngblood #17, Prophet #10, and Extreme Sacrifice Epilogue*. Don't miss an issue or.....you won't have a clue. Also from Image or specifically from Neil Gaiman and Greg Capullo, Spawn guest stars in *Angela #2*.

In the blue corner now the Marvel corner, Malibu unleashes *Godwheel* a five-part mini-series. Look for some changes to our favorite characters a la DC style.

Liefeld's latest adventure in the industry bags itself another title to go along with *Warchild #2. Black Flag #1* returns from the minds of Dan Fraga and Eric Stephenson.

Another new kid on the block beams in with 3 very interesting titles. Leonard Nimoy's *Primortals #3*, Neil Gaiman's *Mr. Hero the Newmatic Man #3*, and Gene Roddenberry's *Lost Universe #2* are delivered by the very exciting Teckno-Comix.

THIS LITTLE STORM HAS A LOT OF WIND

Sometimes a small gem can get lost in a full bag. As a jewler it is our responsibility to point out and show you these small gems. Caliber Press is a smaller comics publisher, but within their confines is a budding new universe, labeled Sky Universe. Sky Universe is producing a six-issue miniseries by the name of Storm Quest.

Many of us are fans of team books. Storm Quest is a book about a wife, Rebecca May LeBeck, and her estranged husband, Warren LeBeck, who have to reconcile their differences to lead their two children, Jenn and Andrew Lebeck, along with three non-family members, Kurt

STORMQUEST TRADEMARK AND COPYRIGHT 1994 SKYVERSE

Emminger, Edmond Da Orkney and Shalimar in their role of protecting the time storm. The origin of the Storm Quest team begins with Rebecca doing archealogy for the government. She discovers the Time Stone, an ancient artifact belonging to the Time Lord, Merlin. The former owner lost the artifact in a game with other-worldly opponents, and was subsequently stripped of his powers. This artifact is wanted by other powers that be, so Rebecca has to wrestle to keep the token in her possession. With a little help from Kurt and the marriage wrecker Pandora, Mrs. LaBeck is finally able to take the object to test it. The Government, however, insists on doing its own experiments. Of course, the Government causes a reaction that rips open the Time Storm. This opening sucks in the LaBeck family along with Kurt. As of issue #2 the exact origins of each individuals powers are unknown.

Storm Quest is created by Bob Hickey, written by Tom & Mary Bierbaum, penciled by Greg Land (1st and 2nd issues) and Willie Peppers, inked by Jerry Foley, and edited by Joe Martin. The book is computer colored by Heroic Age Colors.

This book is a very good read and we look forward to the expansion of the Sky Universe. Sometimes it pays to look for the smaller guy.

CV MOVERS

El Curiouso
Curious George's Comics
Birmingham AL

DC: Zero Hour has been Big! Core issues sold out & most x-overs as well Superman continues to do well Batman sales doing better, look for more interest when Kelly Jones takes over the art. Most other DC regular comics down significantly. Vertigo sales, except for Books of Magic & Vamps, slacking off Milestone is dead, put a fork in them
Marvel: Age of Apocalypse looks to be big X-books in general, continue to do well Spider-Man, Punisher, Avengers, et al slipping. Most super-hero titles in general continue to decline.
Colour Indies: Image has a hit on it's hands with *Gen13*. Earlier issues are hard to find and expensive when you can. Spawn is still my best seller, but other image titles are flat at best. Valiant sales have dropped since Chaos Effect; perhaps the new titles they have coming out will help Shi , look to be the biggie for '93, and look for Eye of the Storm to be a big hit with it's 3-D computer art
B&W Indies: CEREBUS is still a popular book, but not much else moves except for misc. adult titles
Cards: Magic the Gathering stuff now covers 85% of my card sales Most other cards only sell 1-2 boxes each Loose card sales are way off
Overall: The market looks like it is going into another extended period of retrenchment Cover your comic orders and cut your shelf stock Re-orders are better than over-stock

Jeremy Shorr
Titan Comics
Dallas TX

DC: Sales on all titles have substantially increased since the completion of Zero Hour Of particular note are Flash, Wonder Woman, and Green Arrow- Flash because of Impulse, Wonder Woman because of Mike Deodato's terrific artwork and Green Arrow due to his impending makeover
Vertigo: All titles are solid sellers with a loyal core following The mature content and themes in these books attracts a more diverse fan base than straight superhero books The Moonshadow reprints are well-received, Hellblazer and Sandman vie for the top sales in this group We all just wish that Sandman would show up in a more timely fashion.
Marvel: Marvel has done nothing to bolster its market position in recent weeks Even the upcoming X-Men event is being met with lukewarm to cool reception Many people are seriously thinking about dropping all X-titles Somehow this doesn't seem to be what Marvel was looking for On the plus side, the 2099 universe has carved out a spot with the fans although Hulk 2099 was not very well received
Image: No surprise here- a mixed bag What do you expect from a group of artist who banded together strictly to survive? I expect to see more and more of them moving away from the I logo and creating their own corporate identities The "Image X" month has largely been ignored by fans with the preponderance of comments centering on hoe the issue compares poorly with the rest of the run Boof has been a total loss, Hellshock #1 with its 12 pages of story received many gripes although people still bought it and Spawn sales have been steadily dropping since the 18/21 fiasco However Team 7 looks great and Wetworks sold out quickly. It would be nice if Image would concentrate on putting out a timely product and cut down on the gimmick covers.
Other Publishers: Malibu has developed a steady and productive line with the Ultraverse and Bravura titles Dark Horse is dependable, not flashy, with most titles selling well. Valiant is hanging on with brief flashes of interest (Visitor, Armorines) but they still aren't attracting new readers even though their books are uniformly well written with nice art Chaos comics sell well but would be even better with an ongoing series to anchor them. Harris has found quite a following for Vampirella, with chains of Chaos being much anticipated Defiant is no more, and I'm not sure too many people noticed

Mark Haverty
Don Bouchard
Crisis Comics
Winooski, VT

DC We just love these guys. DC is on fire right now, with no chance of cooling down Most of the new titles released because of Zero Hour were duds, but Starman turned out great and people seem to love it. The best thing about the Zero books is that people are staying with some of the titles after issue 0. The best examples of this have been with the Batman and Superman titles, as well as with the Green Arrow, Green Lantern, and the Legion books. All of these books deserve checking out.

Marvel The clone story, for better or worse, is a good seller here, with a few people jumping on because of it. The mutants storyline, however, is a mixed bag. Most are saying that they think the storyline sounds interesting, but a small group of X-fans are saying that this is the last straw and are using the first issues as a good place to stop. as a side note here, we would like to thank Scott Lobdell, who told us about the entire storyline way back in August in an interview with him for a comic book show we do on a local cable channel Most people are just finding out, yet a dinky little comic store in Vermont knew month before anyone else Thanks Scott! As for the rest of Marvel, there's nothing that really stands out from the pack, as there is little to make people notice

Other Publishers. Image had some success with Image month, with a few extra sales on most of the books, but nothing to jump up and down about. Backlash has done well here, but it had the stupidest alternative cover idea we have ever seen. Two new companies sprung up recently, based around "hot" artists, Bart Sears (Ominous) and Joe Quesada (Event) No one noticed that Ominous began, and now no one noticed Ominous fading away. People have noticed Ash #1, however, and it is good. I hope this is a good sign for the rest of the series. Dark Horse isn't doing much to make people go "wow" except for Star Wars. Can someone explain to me why Vermont's Tom Veitch isn't one of Wizard's top writers? Star Wars sells not because of Star Wars but because of Veitch If it was the other way around, people would have bought Droid like crazy. They didn't Valiant is still consistent, with nothing spectacular, but nothing really bad either. They are doing a good job attracting women with books like Dr. Mirage, and I hope this keeps up The best thing going for Malibu was Deep Space Nine, with only a minor fan following for the Ultraverse, No wonder they've been for sale for a while Of course, all of these comments about Malibu are moot, now that they don't exist anymore Got to love Marvel's mentality don't be better than the competition, just be big enough to buy them. Well, that's it for now boys and girls It's been fun

Meredith Woodwell
Zanadu Comics
Seattle, WA

DC: Current top sellers include the Batman and Superman families, Aquaman, Sandman and The Books of Magic, in fact, sales are increasing on these already top selling books! Wonder Woman and Flash are impossible to keep in stock, great stories, fabulous art and the magical approach to #100 are a hard combination to beat. Starman and Primal Force are getting great responses, while other Zero Hour "babies" are stalled at the gate So far it looks like Zero Hour managed to increase the sales of all DC books at least marginally. It remains to be seen how long these new readers stay on board, however.
Sales on Batman Adventures #25, 26 and Annual #1 were phenominal! This great little series is finally getting the attention it deserves Batman Madness also went over very well, but Batman/Predator Bloodmatch is selling a little more slowly than anticipated.

Marvel· The X-men family reigns supreme here (what else is new?). X-factor #109 shot out of here as peoples anticipation of the upcoming "After Xavier" storyline grows "Power and Responsibility" increased sales briefly on the four main Spider-Man titles, but only Spider-Man and Web of Spider-Man have maintained this growth. There are far too many Spider-Man mini-series and spin-offs (Prowler and Solo? Who are these people?) that are just cannibalizing sales from other better books. Incredible Hulk continues his sales climb to #425 and the return of the savage Hulk. Tales to Astonish performed very poorly, given the success of Marvels Mini-series. Captain America, Daredevil and Fantastic Four sales are dropping off after their increases over the past year. Aside from "After Xavier", Marvel is currently generating very little reader excitement

Other 50% of the Market· Image's mysterious X month came and went with no surprises-the lower selling books sold about 15% more, the higher selling books about 15% less. Team 7 #1 gave this series a great start (we'll soon see how much of that was due to dual covers). Hellshock has been well received, Black & White is selling more slowly than expected, and Troll is exceeded only by Boof & Co. in its low sales. Dark Horse could live on its Star Wars sales alone, Oh My Goddess, Concrete Killer Smile, Grendel Tales, Babe and Madman Comics must be icing on the cake. Malibu's Star Trek TNG/DS9 crossover with DC has sold better than either of the individual series Edge and Strikeback are not selling as well as the initial Bravura offerings, but people are looking forward to Breed II Ultraverse and Valiant are slowing down slightly, hopefully just part of the normal fall/winter slowdown. Strangers In Paradise, Wandering Star, Starchild and Poison Lives continue their rise in popularity. Watch for Thieves and Kings to join their ranks soon.

Box 3855, Scottsdale, AZ 85271 3855 (602) 949-8499 9) Please report any problems to us within 48 hrs of receipt. Your satisfaction is guaranteed. PHONE # (602) 949-8499

THE UCI REVOLUTION

"THE WAVE OF THE COMIC BOOK SELLING FUTURE!"
-STEVE STERN, CO-CREATOR OF ZEN, INTERGALACTIC NINJA

When you go with us you make the quantum leap from mere customer to UCI Gold Club Member! UCI lives by the credo that our club members are far more valuable than Gold! That's why we are open 7 days a week; day and night! That's why we give you a friendly and knowledgable personal rep to insure you get the royal treatment you want and deserve!

We boast a 98% fulfillment rate of all advance purchase orders! A damage rate of less than .05% because we bag and board every single comic we ship at no additional cost to you! Our newsletter is more fun than a weekend in the Bahamas, and let's not forget to mention the fact we give away thousands of dollars in premium books every year! In fact, our club is rapidly becoming the standard of excellence in the industry. Find out why our club members love us like family! Find out why others try to imitate us! Don't you think it's time you were treated like GOLD? We do! Let's face it heroes, it's time for a revolution!

"Thanks to UCI's Valiant fans, we are now #2 in sales at UCI ! What can I say? I hope we soon find our way to the #1 spot! With the stories Valiant brings them, combined with the great service UCI offers them, they can't go wrong!"
-Paul Fairchild, Direct Sales Manager, Valiant Comics.

How To Join The Universal Collectibles Club:

1-Please select the membership plan of your choice!
Lifetime Gold Membership (Good till the bitter end!) only....$59.95 !
1 Year Gold Membership only.....$29.95!

2-On a sheet of white paper, neatly print your:
A-Full name and street address. B- telephone ! & area code!
C-Membership & Free comic books requested!
3-If ordering bonus books be sure to list titles, quantities & prices.
4-Make checks & money orders payable to: UCI
5-MC & Visa orders list card # & expiration date!
6-N.Y. residents must add 8.25% sales tax on memb. fees & bonus books.
7-Everyone must add $4.95 for shipping. Sorry, no members outside the 48 states. Allow up to 4 weeks for delivery. Please be aware that even if you do not place an order there is a monthly fee of $4.95 for shipping your comics and/or catalog and newsletter! DON'T WAIT-JOIN NOW!

"Just one word can sum you guys up...AWESOME! I looked far and wide for a company that was both easy to order from, and would save me alot of mulah! You guys meet every need! So here's a big KUDOS to you! Your devoted client...."
-Greg Harvey

"All I can say is WOW!"
-Paul Avery

"I'm just writing to say thank you. It's nice to finally find a company that cares about their customers as much as you do. Most companies act like they're doing me a favor by taking my order, but I never feel that way about UCI. You realized that ripping people off does NOT work out in the long run. Thanks for listening...."
-David Del Terzo

COMING TO A GALAXY NEAR YOU!
